Overall Thickness:

0.420 inches

End Application:

H-60 helicopter

Product Name:

Shim

Special Features:

Used on 96203-01011-044; 5.00 in. Long

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A07000
