Overall Thickness:

0.125 inches

Product Name:

Antenna flange

Material:

Aluminum alloy 5052

Surface Treatment Specification:

Mil-f-14072 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-f-14072 spec.
