**Overall Thickness:**

0.125 inches

**Product Name:**

Antenna flange

**Material:**

Aluminum alloy 5052

**Surface Treatment Specification:**

Mil-f-14072 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000

**Mil-std (military Standard):**

Mil-f-14072 spec.
