End Application:

B-52 aircraft

Product Name:

Spacer

Material:

Aluminum alloy

Material Specification:

Qq-a-225/8 federal specification single material response

Surface Treatment:

Nickel

Style Designator:

17e blank, plain, no outside flanges

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A045a0
