Overall Thickness:

0.250 inches

End Application:

Mh-60s

Product Name:

Deck plate spacer

Special Features:

Material: 303, 304, or 316 stainless steel: black oxide coat: nha; 3392as723 and 724

Material:

Steel

Style Designator:

Non-circular w/bolt holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
