Thread Length:

0.265 inches external

Head Height:

0.235 inches

Overall Length:

0.563 inches

End Application:

2995-01-286-1498

Connection Style:

Plain

Maximum Operating Pressure:

3000.0 pounds per square inch

Product Name:

Inavy-plug machine thread

Material:

Aluminum alloy 7075

Media For Which Designed:

Fuel/oil, hydrocarbon

Surface Treatment:

Anodize

Style Designator:

Plug, machine

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A208a0
