Overall Length:

7.000 inches

Overall Width:

2.000 inches

Overall Thickness:

0.125 inches

End Application:

B-2 aircraft

Material:

Aluminum alloy 1100

Material Specification:

Qq-a-250/1 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
