Overall Length:

5.100 inches

Overall Width:

1.800 inches

Overall Thickness:

Between 0.098 inches and 0.102 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response or qq-a-250/8, t6 federal specification single material response

Err Default:

Err default

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
