Overall Length:
5.100 inches
Overall Width:
1.800 inches
Overall Thickness:
Between 0.098 inches and 0.102 inches
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-250/11, t6 federal specification single material response or qq-a-250/8, t6 federal specification single material response
Err Default:
Err default
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A07000
