Body Diameter:

1.650 inches

Center Hole Diameter:

1.000 inches

End Application:

5895-01-547-0392 center, communications operations

Design Type:

Single centrally located hole

Product Name:

Bushing, nonmetallic

Special Features:

Material: gray plastic polypropylene

Material:

Plastic

Style Designator:

Round flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535j0
