Overall Length:

1.000 inches

Overall Width:

1.000 inches

Overall Thickness:

0.020 inches

End Application:

1b-52h

Product Name:

Shim

Special Features:

1 slot 0.250 min 0.260 maximum centered one side only

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 t6 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A07000
