Overall Length:

1.161 inches

Body Diameter:

1.125 inches

Body Length:

1.063 inches

End Application:

Port truck

Flange Height:

0.125 inches

Design Type:

Single centrally located hole

Product Name:

Bushing, drive

Material:

Copper alloy

Style Designator:

Round flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535j0
