Overall Length:
1.800 inches
Overall Width:
1.500 inches
Overall Thickness:
Between 0.095 inches and 0.105 inches
End Application:
Ng nav system
Material:
Aluminum alloy 7075
Material Specification:
Qq-a-250/12 federal specification single material response
Style Designator:
Rectangular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
