Product Name:

Ring, spine lock bearing

Special Features:

Steel comp 4340; b92.1 inspect; ams6414; surface rough 63 ra; magnetic particle inspect hp6-5 class c; finish no.29 or 31; qualification requirements epb6-128; asme y14.5m-1994; critical technology

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
