Overall Length:

42.750 inches

Overall Width:

1.000 inches

Overall Thickness:

0.182 inches

Center To Center Distance Between Bolt Holes Along Length:

4.000 inches

Bolt Hole Quantity:

11

End Application:

4910-01-539-6129

Bolt Hole Diameter:

0.257 inches

Product Name:

Vent door hinge spacer

Special Features:

Holes are for 1/4 rivet

Material:

Aluminum alloy 6061

Material Specification:

Astm b209 assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A556d0
