Overall Length:

5.0 inches

Overall Width:

1.5 inches

Overall Thickness:

0.0149 inches

End Application:

M109a7; m992a3

Product Name:

Shim, mid-section hinge

Material:

Steel

Supplementary Features:

Next assembly part no. 12574343 for both end items listed; shim is slotted x 2. Each slot is 1.594 inches radius and 0.797 inches apart from each other.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
