End Application:

H60r

Special Features:

Thickness is 0.250 inches (nom); cage poc stated that they are the oem and that the oem cage is 78286 and company name is sikorsky aircraft corporation

Material:

Rubber

Material Specification:

Astm d 6576, type 2, gr-a assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
