Overall Length:

1.6205 inches

Overall Height:

0.1500 inches

Overall Width:

1.6205 inches

End Application:

Kc-46 tanker

Product Name:

Bushing, eccentric

Special Features:

Heat treated 180 to 200 ksi; 63 microinch finish ; olevel ata-54

Material:

Stainless steel

Surface Treatment:

Passivate

General Description:

Inside diameter of 0.7498 in.

Reference Number Differentiating Characteristics:

Item is faa certified

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
