Overall Length:

0.560 inches

Flange Diameter:

0.810 inches

Body Diameter:

0.470 inches

Body Length:

0.310 inches

Center Hole Diameter:

0.250 inches

End Application:

Nuc equipment

Flange Height:

0.250 inches

Design Type:

Single centrally located hole

Product Name:

Cxcy g isolator vibrt rubr

Special Features:

Flange and body have 8 fingers each side out of phase

Material:

Rubber silicone class q

Style Designator:

Round flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535j0
