Overall Length:

418.0 inches

Overall Height:

285.0 inches

End Application:

1733-00-0,5-4100

Design Type:

Roof section

Err Default:

Err default

Product Name:

Shelter roof assembly

Special Features:

Material - fluoropolymer/aramid composite, webbing material woven nylon, type xvii; topside color desert tan, bottom side color is white;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T324-d
