Overall Length:

12.014 feet

Overall Height:

7.042 feet

Overall Width:

7.021 feet

Usage Design:

Electric equipment

Floor Material:

Aluminum

Wall Material:

Aluminum

Roof Material:

Aluminum

Weather Insulation Extent:

Full thermo

Electrically Shielded Feature:

Included

Special Features:

Operates same as model s-530 a/g p/n3142110-001-103, except two additional circuit breakers accessible outside of shelter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fiiig:

T324-f
