Overall Length:

1.88 inches

Overall Height:

1.25 inches

Overall Width:

0.91 inches

Mounting Hole Quantity:

4

Mounting Hole Type:

Thru hole all holes

Overall Thickness:

0.11 inches

End Application:

4910-01-539-6129, container, standard

Product Name:

Latch, locking bar top, tool rack frame

Material:

Aluminum alloy 6061 body

Material Specification:

6061-t6 iaw astm b209 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A560n0
