Overall Length:

30.031 inches

Pressure Rating:

25.0 pounds per square inch

Lining Material:

Lead

Drain Type:

Siphon

End Shape And Location:

Flat both ends

End Thickness:

Between 0.017 inches and 0.019 inches

Opening Quantity:

1

Opening Size:

0.750 inches

Opening Location:

1 on bottom

Opening Characteristic:

Unthreaded

Mounting Base:

Not included

Material:

Steel, temper 3 to 5 specification qq-s-698

Material:

Steel, temper 3 to 5 specification qq-s-698

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-h
