Overall Length:

26.000 inches

Overall Diameter:

24.000 inches

Mounting Position:

Vertical

End Application:

5840-00-548-9070, radar set, an/tps-43e

End Shape And Location:

Convex one end or flat one end

End Thickness:

3.000 inches

Mounting Base:

Included

Functional Description:

Lower tank

Material:

Aluminum

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-h
