**Shell Material:**

Steel, astm a36

**Assembly Method:**

Bolted

**End Application:**

Strategic sealift conversions

**Mounting Bracket:**

Provided

**Liquid For Which Designed:**

Fuel oil

**Bracket Quantity:**

3

**Product Name:**

Hydraulic expansion tank assembly

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T324-h
