Overall Length:

1.000 feet

Overall Height:

0.936 feet

Overall Width:

1.250 feet

Shell Material:

Plastic

Assembly Method:

Molded

End Application:

Hardware

Installation Design:

Vertical

Fitting:

Included

Installation Location:

Above ground

Tank Capacity:

6.0 gallon, us measure

Liquid For Which Designed:

Water or water, demineralized or water, distilled or water, potable

Fitting Type And Quantity:

1 end cap

Fitting Opening Quantity:

1

Fitting Opening Thread Provision:

Threaded

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T324-h
