Outside Surface Treatment:

Paint

End Application:

Water supply and water purification equipment

End Shape:

Cylindrical

Support Facility:

Leg

Installation Design:

Vertical

Installation Location:

Above ground

Top Shape:

Cylindrical

Liquid For Which Designed:

Water

Bottom Shape:

Cylindrical

Product Name:

Portable water only tank, green

Special Features:

Paint color is green

Shape:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T324-h
