Overall Length:

11.0 feet

Overall Height:

3.3 feet

Overall Width:

4.0 feet

Shell Material:

Concrete

Assembly Method:

Molded

Support Facility:

Leg

Installation Design:

Horizontal

Fitting:

Included

Installation Location:

Above ground

Top Material:

Concrete

Tank Capacity:

500.0 gallon, us measure

Liquid For Which Designed:

Fuel oil

Gasket Material:

Concrete

End Material:

Concrete

Bottom Material:

Concrete

Product Name:

Tank, fuel oil, double walled

Special Features:

Dimensions: 40.000 inch high x 11.0 feet length x 4 feet 6 inches width

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
