Overall Height:

80.000 inches

Overall Width:

30.000 inches

Overall Thickness:

1.750 inches

Design Type:

Flush

Core Wood Specificationies:

Any acceptable

Supplementary Features:

Solid core, good grade, unfished, iaw ansi/nwma ind standard 1 series w/label or certificate, type 1 glue bond, any type core construction
water repellent preservative treated iaw nwma ind standard 4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T342-a
