Overall Height:

84.000 inches

Overall Width:

36.000 inches

Overall Thickness:

1.750 inches

Design Type:

Flush

Core Wood Specificationies:

Any acceptable

Supplementary Features:

Exterior-flush type, solid core, iaw with ansi/nwma ind. Standard 1 series type i glue bond, any type construction water-repellent preservative treated iaw nwma industrial standard 4. Good grade, unfinished

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T342-a
