Overall Height:
84.000 inches
Overall Width:
36.000 inches
Overall Thickness:
1.750 inches
Design Type:
Flush
Core Wood Specificationies:
Any acceptable
Supplementary Features:
Exterior-flush type, solid core, iaw with ansi/nwma ind. Standard 1 series type i glue bond, any type construction water-repellent preservative
treated iaw nwma industrial standard 4. Good grade, unfinished
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T342-a
