Overall Height:

80.000 inches

Overall Width:

32.000 inches

Overall Thickness:

1.750 inches

Design Type:

Flush

Core Wood Specificationies:

Any acceptable

Supplementary Features:

Exterior, flush type, solid core, iaw ansi/nwma ind. Standard 1 series type i glue bond, any type core construction water-repellent preservative treated iaw nwma industrial standard 4, good grade, unfinished

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T342-a
