Overall Haimht.
Overall Height:
80.000 inches
Overall Width:
32.000 inches
Overall Thickness:
1.750 inches
Design Type:
Flush
Core Wood Specificationies:
Any acceptable
Supplementary Features:
Exterior, flush type, solid core, iaw ansi/nwma ind. Standard 1 series type i glue bond, any type core construction water-repellent
preservative treated iaw nwma industrial standard 4, good grade, unfinished
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T342-a
