Overall Height:

80.000 inches

Overall Width:

32.000 inches

Overall Thickness:

1.750 inches

Design Type:

Flush

Core Wood Specificationies:

Any acceptable

Face Wood Specificationies And Location:

Birch both faces

Top Rail Width:

4.500 inches

Bottom Rail Width:

4.500 inches

Supplementary Features:

Interior, unfinished, in accordance with ansi/nwma industry standard 1 series, wit (label or cert.) type 2 glue bond, any type core construction

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T342-a
