Tempurature Rating:

1800.0 degrees fahrenheit

Physical Form:

Granular

Unit Package Type:

Bag

Content Within Each Unit Package:

12 lbs

Density Rating:

3.0 pounds per cubic foot

Resin Treatment:

Not included

Environmental Attribute Code:

Comprehensive procurement guideline - construction products - building insulation products

Special Features:

Contains recycled material; noncombustable, water repellent

Material:

Mineral, perlite

Material:

Mineral, perlite

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T230-e
