Thermal Insulation Sleeving - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5640-01-024-4806

Insulation Thickness:
1.000 inches

Special Features:
1/2 in.Pipe

Glass fiber

Reference Number Differentiating Characteristics:

As differentiated by wall thickness and special features

Shelf Life:

Material:
Glass fiber
Material:

N/a

Unit Of Measure:

--

Demilitarization:

Nο

Fiig:
