Overall Length:

20.880 inches

Overall Width:

16.880 inches

Overall Thickness:

0.750 inches

Maximum Thermal Conductivity:

Not rated

Coverage Width:

17.318 inches

Coverage Length:

21.318 inches

Flameproof Feature:

Not included

Water Repellent Coated Surface:

Not provided

One Side Decoration Provision:

Not provided

Special Features:

Item is irregular in shape and is bonded to gasket material, non metallic spec mil-c-12803; 0.020-0.030 in.Thk

Material:

Cellulose fiber

Material:

Cellulose

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T230-a
