Unit Package Type:

Bag

Content Within Each Unit Package:

50 lb

Maximum Thermal Conductivity:

0.95 at 800 degrees f

Density Rating:

24.000 pounds per cubic foot

Special Features:

Hydraulic setting cement which forms a hard, smooth, and monolithic finish that will not soften when exposed to moisture after setting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T230-j
