

View Online at <https://aerobasegroup.com/nsn/5640-01-422-3056>

Special Features:

Type: black closed cell neoprene sponge; densit (pcf) 18+/-2; tensile(psi) 240; elongation(%) 185; compression deflection; 25% (astm d-1056-91); heat resistance: compression deflection +15; water absorption (%) 5; compression set 24 hrs. Recovery (%) 6

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T232-e
