Fabrication Method:

Extruded

Length:

10.000 feet

Attachment Feature Width:

1.312 inches

Attachment Feature Height:

1.312 inches

Mounting Method:

Screw

Issue Form:

Specific length

Material:

Aluminum alloy

Material:

Aluminum alloy

Surface Treatment:

Anodize

Style Designator:

Outside angle

Surface Treatment:

Anodized

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T231-h
