Fabrication Method:

Extruded

Length:

8.500 feet

Mounting Method:

Any acceptable

Issue Form:

Specific length

Special Features:

50 per box; used with gb-350 moveable wall system

Material:

Steel

Material:

Steel

Style Designator:

Sunken fillet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T231-h
