NSN 5805-00-155-5620

Matched Frequen Termination Unit - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5805-00-155-5620

General Description:

| Qsolid state, plus 10 dbm maximum output level, 600 ohms impedanceminus 48 v dc, or minus 24 v dc, 8 ma input, minus 20 degrees to 65 |
|---------------------------------------------------------------------------------------------------------------------------------------|
| degrees coperating temperature, 6.937 in. H, 3.375 in. W, 7.156 in. Deepdesigned for fixed installation |
