**Overall Length:**

4.125 inches

**Overall Height:**

2.500 inches

**Overall Width:**

3.562 inches

**Unthreaded Mounting Hole Diameter:**

0.312 inches single mounting facility

**End Application:**

W/s: intermediate forward test equip (ifte) system; electronic shop, trailer, semi mounted, an/asm-189 series; digital group multiplexer, an/trc-138, -173, -174, -175; patriot, surface to air missiles; electronic shop, trailer, semi mounted, an/asm-190 series

**Mounting Facility Type And Quantity:**

4 unthreaded hole single mounting facility

**Material:**

Aluminum

**Style Designator:**

Rectangular prism

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A062a0
