Overall Length:

14.000 inches

Overall Height:

10.000 inches

Overall Width:

4.000 inches

Mounting Configuration:

Compartment mtd

Special Features:

1 circuit; designed for 3 v switchboard; aluminum case; terminal data; 5 screw type

Specification Or Standard:

Ta-220/p type

Fsc Application Data:

Telephone circuit, operators

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T187-d
