Overall Length:

30.000 inches

Overall Height:

30.000 inches

Overall Width:

23.250 inches

Joint Electronics Type Designation System Item Name:

Shipboard dial telephone equipment

Special Features:

Strowger type switching 100 line grouping; 100 lines max; line data 96; common battery line type 4; common battery trunk line type; fully equipped; aluminum enclosure

Specification Data:

S6501-311574 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T187-b
