Storage Temperature Range:

-40.0 to 158.0 degrees celsius

Portability Method:

Recessed handles

Unpackaged Unit Width:

8.9 inches

Unpackaged Unit Height:

11.1 inches

Package Model Number:

7962g-ge

Usage Design:

Single wire, secure voice and data solution design to operate in harsh environment.

Usage Location:

Communications zone

Product Name:

Cti unified ip phone 7962g-ge

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
