End Application:

Kg-175d

Special Features:

General dynamics kg-175d micro, fully ruggedized for tactical environments; ipv4/ipv6 dual stack (ipv6 via haipse v3 software download); haipse is v1.3.5 and crypto modernization compliant (haipse v3 via software download); performance = 200 mb/s ip aggregate throughput and > 10 sas/sec minimizes set up time; remote zeroize capability; local or optional remote management; low power (<30 watts); user replaceable battery; standard aa battery in benign environments; low latency and reset recovery for time critical applications; over the network reprogramming; webbased taclane hmi; add, change, delete static routes without taking the taclane offline. Technical specifications: compact size: 1u (eia standard); 1.61"h x 5.5"w x 10.85"d; up to 3 units mounted side-by-side in 19" rack (comes with mounting hardware); weight 4.24 lbs. Manufacturer 5 yr warranty. Environmental: 40degrees f/60 degrees c (operating); 40f/40c to 160f/71 (storage); 95% humidity (non-condensing)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
