Overall Length:

17.000 inches

Overall Height:

3.500 inches

Overall Width:

17.000 inches

End Application:

Kg-245x

Product Name:

This item consists of kg-245 (ecu) and power kit

Special Features:

10 gbps inline network encryptor provides top 1 highest interoperable security at classifications of ts/sci and below. Full tactical, programmable and scalable, rapidly deployable network security

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
