Overall Length:

2.000 inches

Overall Height:

18.000 inches

Overall Width:

0.730 inches

End Application:

Cik kg-175d ftr

Usage Design:

This item is for depot use only and is accounted for and transferred via comsec channels cmcs only

Criticality Code Justification:

Feat

Product Name:

Micro field tamper recovery stick

Special Features:

Crypto ignition key for the kg-175d field tamper recovery micor only sst series slimline, color: red classified, memory: 16kb, weight: 0.01 ounces

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
