Overall Length:

2.263 inches

Overall Height:

2.3438 inches

Overall Width:

1.0938 inches

Component Type And Quantity:

1 housing and 9 terminal

Special Features:

Mounting configuration: two threaded mounting holes spaced 1.4688 inch center to center; assembly has an undetermined number of pins

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51110
